President's Message

This February Deerfield Chatter has a Page of Honor recognizing one of our residents and the commitment he made to protect our way of life in the United States. It would be good if all the men & women who had served in the armed forces got the recognition and thanks they deserve. Please contact the Administrative Office or a Member of the Board of Trustees to discuss your inclusion on both the Wall of Honor and in the Deerfield Chatter Page of Honor.

You will see a brief message about people behaving irrationally or erratically or possibly suffering from a mental health issue. Please read it and act accordingly as your reporting may help the individual more than you can imagine. The safety and well-being of your neighbors and fellow residents is a most important consideration and sign of caring.

We are now officially in the winter months, so please take care of yourself. If you are driving or even out walking, remember safety is paramount for your survival. Be careful.

Our village is becoming the community of choice for many people based on its appearance and the Board's reputation as being proactive and fiscally responsible. As President of the Board of Trustees, I want to thank all our residents and homeowners that have placed their faith in the Board and understand that the Board is always working to improve our community and protect your rights and property. As you know, this Board of Trustees had an Independent Insurance Appraisal done last year and had it updated this year. That was not only to comply with the governing documents, but also to guarantee coverage of our community overall, and at the best rate possible. The Board of Trustees is now looking at the possibility of having a new Reserve Study done by a licensed professional. You may wonder what a reserve study is. It is an evaluation and a financial tool that is used to plan for now and into the future as a means of budgeting, repairing and replacing common elements that the village is responsible for. By careful planning and budgeting it eliminates the need for special assessments. This will be discussed at an Open Meeting when it progresses. We, as a Board, want to keep you informed and knowledgeable of what is being done on your behalf.

Through the efforts of the many volunteers on the Firewise Committee, Crestwood Village Six has received certification as a Firewise Community. Their and your efforts made that happen and with your continued support we will retain that certification.

Please take note, the Monday Night President's Hour from 6:30-7:30 pm will now be by appointment only. Please call the Administrative Office to request same and it will be accommodated at the Board's earliest convenience.

Be kind to one another and be careful of the weather.

Sincerely,

RJ Anderson

Trustee Korner . . .

Well, now that we have celebrated another Christmas we will turn our attention to the New Year. Resolutions sometimes are hard to keep, but let us all try to respect and comply with our Rules and Regulations as a positive thought to a New Year's Resolution. Even without the snow, overnight parking is prohibited. The Board of Trustees is exploring options on how to curtail the constant violators from taking advantage of our good nature, New Year's resolution or not. Please adhere to our Rules and Regulations. Towing is an option we'd like not to employ. Also please DO NOT throw the snow in the street when you are cleaning off your cars, driveways or sidewalks. Thank you for your consideration on this matter.

Semper Fi

Wayne Koester, Vice President

February has come upon us and with that the roof project is being set aside until spring. This past year has been a tough one with all of the rain that we had, yet still we've gotten our quota and then some with the roofs to be done in our fiscal year. The questions always come up to me about why isn't my roof being done when my neighbors are being done? Again, the answer is a simple one. We go in chronological order when roofs were done on homes previously. This way it's definitely fair to everyone in our village. The only way a roof gets done out of chronological order is when there is a problem with leaking into the home. We don't want any interior of our homes damaged because of leaking roofs. Presently we are approximately 75% completed with our project for our roofs. As usual, if anybody has problems concerning the roofs or when the roofs will be completed, you can contact me. Most of the time the office personnel can answer most of your questions, but, again, if you have any problems or concerns, you can call me.

Ron Paluzzi, 2nd Vice President

FEBRUARY

February comes from the Latin word februa, which means "to cleanse." The month was named after the Roman Februalia, which was a monthlong festival of purification and atonement.

Treasurer's Notes

Happy Groundhog Day and Happy Valentine's Day. I so enjoy this time of year when the daylight hours grow longer. Hope your team made the Super Bowl – mine didn't. Some of these notes were recently reported at the January 9th Open Meeting and may be repetitive to the 30 more or less members who attended. It was nice, however, to see some newer faces in the audience. This month's Open Meeting is in the evening and I hope to see more of you in attendance.

The December 31, 2018 Income/Expense Statement included in this month's Chatter is unaudited. Added is more solar loan financial information in response to questions that have been asked at our Open meetings. The Village finances continue to be on track barring any historic snow storms. The 2019-2020 Budget process will be starting in February and again thanks to Carol Bonacci, one of our past Treasurers, for volunteering to assist.

I am happy to report that the price for SRECs increased again to \$213.50. A check for \$1,494.50 was received in January representing 7 SRECs produced in November. Cloudy, rainy, snowy days mean electricity is not being produced resulting in higher JCP&L electric costs to you, me and the Village. Energy cost saving measures instituted last year were the retrofitting of the Volunteer Room and the Admin Building with LED lighting. This LED changeover was recently completed in the rest of the Clubhouse including the parking lot lights.

Our Association's Insurance annual renewal starting on January 31, 2019 experienced a relatively flat increase of \$ 982.77. This can be attributed to the work accomplished with Industrial Appraisal Company the past two years and to Ryan Fleming of JGS, our Insurance Broker.

As always, feel free to call me at 732-849-5363 if you have any questions or concerns.

Be Kind, Love and Laugh in 2019,
Marianne Yewaisis

Unaudited Financial Statement

FEBRUARY 2019
From the Village Administrator, Valerie O'Neill

HOLIDAY CLOSING

The **Administrative Office** will be closed on **Monday, Feb. 18th**.

OPEN TRUSTEE MEETING

The **Trustee Open Meeting** is scheduled for **Wednesday, February 6th, 10th @ 7 p.m.**
Please join us. Refreshments will be served following the meeting.

FOOD TRUCK

The **Food Truck** will be in the Deerfield parking lot on **Wed., February 13th @ 10 a.m.**

BULK/ LEAF & BRUSH PICKUP

Thursday, February 21st Stanley Contracting will be doing a **Leaf & Brush** pickup
of small limbs and bagged leaves.

RECYCLING

If you have any problems or issues with recycling, please call Central Jersey Waste at
609-771-8005.

ICE MELT

We are still stocking ice melt. Call the office and we will deliver to your house for free.
Two **10 lb.** bags are **\$10.00.**

CLUBHOUSE RENOVATIONS

Please be advised that the library, D & E rooms and Fitness Room are all scheduled to be
painted in the month of February, limiting their availability and use. I will attempt to
make phone calls a day or two before each room is scheduled as well as hang signage
indicating the closure. We regret any inconvenience this may cause to your activity.

Board of Trustees
Crestwood Village Six Association
Open Trustee Meeting
January 9th, 1:00 PM

Meeting opened: 1:00 pm.

Salute to the Flag:

Attendance: RJ A., Wayne K., Dominic A., Ron P., Bonnie H., Marianne Y., Val O’N.

Approval of Minutes of: 12-19-18 & 1-2 -19

Administrator’s Report: Gross income for January to date is \$1307.00. There were 25 chargeable work orders and 9 non-chargeable performed. No arrears paid. There were 3 new residents that checked in. Just in case you need snow stakes the office bought a box and is selling them for \$1.00 each. Littleford Electric will be here at the end of the week to dig a new trench for the sign and will be awaiting Manchester’s inspection. Berge will be here to repair the new units in the D&E room this week. Stanley will be installing the bollards behind the kitchen on the outside to protect new units.

Special Attendance

Pete Le Riche: was invited to the open meeting to explain why and how the roofs are being done in the order they were last done. It was explained that some roofs were replaced with defective shingles in the past and the records show in what year they were replaced. With that said that is how we are replacing them. We also have to take care of the roofs that are having problems because of nature. We are in the years 96-97 when most of them were finished up so be patient your roof is coming.

Report of Trustees

Wayne Koester: Reminded the Residents about parking in the winter months. He also let the residents know that the Board is looking at overnight towing for people who don’t care about our rules and park on the street overnight. He let the residents know that there are two villages that are also looking into the towing issues.

John Maass: Absent

Dominic Amoroso: stated that electronic board should be installed soon. The electric has been hooked up and the township has approved it. As far as the Home Improvement Requests go, they are doing well. The Fire Wise Committee has received word that the Village has been recognized as a Fire Wise community. The committee is working on grant paper work.

Ron Paluzzi: Started with MCC is have a guest speaker Senator Holzapfel on Jan. 28th at 1:30 at Village 5. The roof project is 76% complete and we are in the year 1996 for the roofs and as long as the weather lasts they will be putting them on.

Marianne Yewaisis: Good Afternoon, our SRECs that were sold for November brought in \$1494. Our insurance for the year came in flat. It only increased \$982.77 more than last year which is great. Our finances are on track so far. Now for the recycling. I want to remind the residents to please check their paper from the recycling center. They have changed what they are taking now

Bonnie Hawthorne: I have no Report, but I just want to wish everyone a happy, health and prosperous New Year.

RJ. Anderson: Wanted to wish everyone a happy, healthy, safe and prosperous New Year. The Board has worked hard this past year. A lot of hard work was done by Marianne regarding the new Insurance rate. We are just started to discuss the towing issues and some of us have questions so we are not just

going to do this. This will take some time to decide. The sign is just about finished like Dom said. It has been almost a year because we do things legally unlike others. I want to make a comment about the roofs. The Trustee have a duty to repair the damaged roofs along with replacing them. Just remember they will all be done in due time. I want to speak about the office employees and the maintenance staff. The abuse they take from our residents is unwarranted. I have found that if you want respect you have to give respect. The New Year's Eve dance was very good and a good time was had by all. Bingo is coming along very well. Now I will open it up to the clubs for their reports

Clubs

Arlene Portenstein: I am spokesperson for Movie Night, movie night is the 2nd Friday of the month and the January movie is "Only the Brave". The Movie for Feb 12th is "The Lost Valentine", March 8th movie is "A Star is Born", April 12th is "First Man". Doors open at 5:30 and movie starts at 6:30. Now for the Coupon Club, this is doing very well in the library. Keep those coupons coming. On to Travel Team. There are two trips scheduled, one in January and one in February that are full at this point. The one for March has seats available. Stop in on Monday mornings and check it out. Coloring will start back the third Monday at 1:30. Come check it out.

Leo Ruscitto: Spokesperson for Advisory Board. They are always looking for volunteers. Stop by their meeting and see what it is about. They help with neighbor to neighbor conflicts.

Julia Sutton: Chief of Safety Patrol is looking for volunteers and it is a good group of people to start to volunteer with. There are several different positions in Safety Patrol. They meet once a month on the third Tuesday of the month at 10:00. They also deliver the Chatter throughout the village.

Rosemary Weaver: Spoke on behalf of the Bereavement Group that meets on the last Friday of the Month at 1:00 in the D&E room. Everyone is welcome, not just for Grief in Death but everyday life. Anthony is the grief counselor. Rosie spoke on behalf Women's Club for the January meeting on the 22nd at 1:00 and always welcome new members.

Public Comment

Loretta Lee: Brought up about the insurance for the water line failure and does anyone have information on this.

Answer: Some of the piping in the village is nearly 40 some years old so it might be a good idea to purchase, but watch the fine print. The contract rates go up annually.

Carol Brauer: wants to know how to find the water shut off from the street.

Answer: call the water dept. and they will let you know.

Vickie Reenstra-Jones: Wanted to know who is responsible for the crawl space.

Answer: you are responsible but we check for termites. We take care of just the termites. You are notified if there is moisture present.

Closed meeting: 2:00 pm.

Bonnie Hawthorne

Secretary

PAGE OF HONOR

Honoring Joseph Tesoriere

This is the second Page of Honor to be in the Deerfield Chatter and is presented to the community for your information and to recognize and to thank Joseph Tesoriere for his time of service to our country. It should also serve as a reminder, that although the Vietnam War and the USA involvement in it, was questioned by many and not considered popular, we must still give recognition to those who served, were injured or died in service for our country. Many people do not know or understand the dangers, difficulties and sacrifices that the military faced in both a new type of warfare and an environment that was totally different than anyone imagined. Vietnam was a mountainous jungle, with heat and humidity, a jungle that had not only the human enemy to overcome, but also, the ever-present native wildlife such as bamboo-vipers and cobras, which are very poisonous sometimes causing death in minutes.

Joe followed in his father's, uncles' and other relatives' footsteps all of whom had served in the military during WWII. Some like his Dad were injured. Joe enlisted in the U.S. Army and served in "A" (Alpha) Company, 1st Battalion, 8th Infantry Regiment of the 4th Infantry Division in Vietnam during 1968-1969. During his time in Vietnam he was in 3rd Platoon which is also known as A/1/8. That battalion and its members, along with Joe, fought bravely in the following areas of operation, including the Dak To, Kontum and Pleiku Regions of the Central Highlands. A/1/8 conducted numerous combat air assaults among other missions against the regiments of the North Vietnamese B3 Front (Corps), which included the crack 66th NVA Regiment.

Perhaps the most serious and devastating situation happened on March 12, 1969 when 4th Platoon of "A" Company was ambushed and cut off by the North Vietnamese Army (NVA). Joe was a member of 3rd Platoon that was sent in to rescue 4th Platoon survivors. After three attempts, the NVA reign of death and destruction on 3rd Platoon resulted in all the Officers and Non-Commissioned Officers being severely wounded or killed. Joe credits his Platoon mate Jerry Loucks with leading him and other surviving members of 3rd Platoon on the successful freeing of 4th Platoon. Joe himself was wounded and was rendered unconscious when an NVA B-40 rocket went off causing shrapnel to enter his head and upper body. He was evacuated to the 71st Evacuation Hospital in Pleiku for treatment and rehabilitation.

Joe met and married Barbara Janitz while living in Elmwood Park (formally East Paterson) and has been married for over thirty-four years. Joe had worked for the Elmwood Park Department of Public Works but had to prematurely retire due to his difficulties with Post Traumatic Stress Disorder that resulted from his dramatic experiences during his honorable and valiant service to our country.

We, as a Community of Joe's fellow residents and friends, honor him for his service.

If you are a veteran and are also interested in telling about your military service time, please contact the Administrative Office @ 732-350-2656. We thank you for your service.

Irrational or Erratic Behavior

If a resident or homeowner witnesses another resident acting in an irrational, erratic, or bizarre fashion or if they fear for their safety, the resident should call the police department directly and immediately at that time of the incident regardless of the time of day or night.

It is anticipated that the police officers responding will decide as to the erratic behavior or threat level of safety for both the individual and the person reporting the behavior. Depending on the time of day or night, the police officer may inquire of the Administrative Office personnel if there is a contact number available for them to contact a relative. The police officer may also contact other agencies or professionals to address the situation.

The Police Department and other Mental Health Professionals from various agencies are trained and have the resources for evaluation of behavior. They also have the means to have the person in question evaluated or hospitalized, if necessary.

The Administrative Staff, the Trustees and the Advisory Board Representatives are not trained professionals in this area. They cannot help you in this situation. It is your moral obligation to notify the police if you observe an individual that is acting strangely.

Feeding of Stray Animals

Many of us moved to Crestwood Village Six for the natural surroundings including the trees and various wildlife. Everyone can enjoy the sound of the birds or the look of a young deer or even the turkeys and squirrels. However, the feeding of stray or wild animals is strictly forbidden in the village. There is also a Manchester Township ordinance not to feed wildlife.

If you are feeding deer or turkeys, or even squirrels you are doing them harm. They change their eating routes or habits when food is given to them rather than them foraging for it. It can change the balance of nature and do more to harm these creatures than help them. The reasoning behind this is that although they may be nice to look at, they may also bring destruction or even diseases. Examples of this is feeding the deer can bring the ticks that can cause lyme disease or create a new feeding route that can include residents' gardens and plantings.

Feeding of feral cats can bring fleas, lice and other diseases, feeding of squirrels (even if to keep them away from your bird feeders) can bring other animals like raccoons or ground hogs. In addition to disease there is the destruction to property to consider. If you are feeding anything other than "birds," please stop now. If you continue you are doing an injustice to the animals, your neighbors and will be subject to a fine.

MARDI GRAS
 Village VI is having its Annual Mardi Gras Event on Saturday February 9th, 2019 from 6 PM to 10 PM. Please join in the revelry, wear your official Mardi Gras colors of gold, green and purple, feathers, beads and of course your best Mardi Gras mask.

Dancing provided by the Talented DJ Mare Haze who is well known through out the Villages. She really keeps us all hopping

Set ups, soda, coffee and tea provided along with Chips for the tables. Feel free to BYOB and as always drink responsibly

Ticket Cost \$10.00 per person and sales will begin on Monday January 9th between 10 AM & 11 AM. Can't be there call Pat at 732-673-4468

Cares Paper Shredding Day

Mark the date on your calendar for the following event – paper shredding for the residents of Crestwood.

Date: Saturday April 20 th.
 Hours: 9 A.M. to 12 Noon or until the truck fills up to capacity.
 Site: Village 4 Parking lot, located at Moccasin Drive (entrance is off Schoolhouse Drive, left side of road Opposite Village 5.)

We are asking our residents to cooperate with the volunteers so this will be a success in helping all.

Call Somebody Cares at 732-350-1400 if you have questions.

ARE YOU HAVING TROUBLE PAYING YOUR ENERGY BILLS?

Help is Available!

There are energy assistance and home energy-improvement programs available for eligible households.

Join New Jersey Natural Gas (NJNG) and Jersey Central Power & Light (JCP&L) for an Energy Assistance Day and find out which programs you qualify for!

Whiting
Thursday, February 21 – 10 a.m. to 3 p.m.
Whiting Firehouse
120 Lacey Road

Representatives from NJNG, JCP&L, LIHEAP, USF, PAGE, NJShares and Comfort Partners will be on hand to answer questions and offer personal assistance with the application process.

For more information, contact your utility at:
JCP&L - online at firstenergycorp.com/contactus or call 800-662-3115
NJNG - email energyassist@njng.com or call 800-221-0051

Visit the Save Energy & Money section of njng.com or www.firstenergycorp.com/billassistnj for tips to help lower your energy bills.

Remember to Bring:

- Social Security Cards for all Household Members
- Deed or Lease
- Income verification for all Household Members
- Utility Bills

ALSO PLEASE NOTE:
Manchester Township Senior Services also assists Manchester residents with applications for Energy Assistance and other programs, who meet financial guidelines. Services are provided free of charge.
Residents may call for an appointment: Manchester Senior Services at 732-849-8305.
Manchester Senior Services also makes home visits for residents unable to drive.

TELEPHONE SCAMS

Recently there have been reports of telephone scams. Those scams may be as simple as sales pitches for an alarm company or a solar panel company. However, there are serious telephone scams being targeted to senior citizens communities. One of the scams has a person possibly identifying themselves as a police officer, an attorney, a court officer, or someone from a jail or hospital stating you must send money or give them your credit card info immediately as your grandson or granddaughter is in need. They may even have your name, address and that of the grandchild correct including their age. This does not mean they are who they say they are or that there is an actual emergency or arrest. They call late at night to try and get you when you are asleep or tired. They possibly got the identity information from the internet, or Facebook, or other social media connections. Whatever you do - **DO NOT GIVE THEM ACCESS TO YOUR BANK, or your Social Security Number or Credit Card information.** What you should do is ask them for their information and tell them you will contact them back. **DO NOT LET THEM BULLY YOU!** Then call your family, grandchild or other relatives supposedly in need and check if, in fact, there is an emergency. If the answer is no emergency exists and they have no idea who called, immediately contact the Police Department and give them the information you received.

Another recent scam you should be aware of is someone who calls claiming to be from the Crestwood Village 6 answering service and claiming that there is a problem at your home that can be taken care of if you give your credit card number. Again, **DO NOT** under any circumstances give that information over the phone to anyone unless you initiated the call to the organization or individual in question.

**DEERFIELD HALL
FEBRUARY CLUB ACTIVITIES**

NOTE - Representatives from various clubs are available on Mondays from 10-11am in the V room, to sell tickets, make reservations, pay dues, etc.

COUPON CLUB- The Coupon Club is in full swing. I just want to thank you all for contributing. Just a reminder that there isn't any fee or meeting days for this club. It is held in the library whenever the library is open. I am there on Monday, Wednesday and Friday mornings. If any questions please stop in the library or call. *Arlene Portenstein 732-408-5147*

TOPS (TAKE OFF POUNDS SENSIBLY)- Ready to stop dieting and start making real changes? TOPS can help you reach your weight loss goal with the tools, information, support and accountability you need to be successful. A winning formula for TOPS members over the past 60 years. Come experience a meeting with a great group of members at the clubhouse on Wednesday mornings. Weigh-in 10am -10:50am. Meeting 11 am until noon. More info call Barbara 301-751-1632 Cell.

MOVIE NIGHT- On Friday, February 8, we are showing "The Lost Valentine" for Valentine's Day and in memory of our WWII vets and family members. This romantic made-for-television drama is about a TV reporter (Jennifer Love Hewitt) who seeks the truth about a woman's (Betty White) husband, a naval pilot who never returned from duty in World War II. This movie is non-rated, runs 1 hour and 40 minutes and is shown close-captioned for the hearing impaired. Doors open at 5:30 pm and the movie starts at 6:30. Come early to sit, chat and enjoy refreshments that will only be available until 6:15. Feel free to bring your own chair or cushion if those provided do not suit you. All are welcome with the low admission price of \$2. Non-residents of Village 6 are always welcome. Any questions please call Arlene 732-408-5147. See you at the movies!

BEREAVEMENT SUPPORT – The next meeting will be on Friday, February 22 at 1pm in the D&E rooms. Anthony Lipari, D.Min. speaks on the stages of grief. Everyone is welcome, not only Village VI. The meetings are from 1-3 in the D&E rooms. Social time and refreshments are served. There was no meeting in January. The next meetings are March 29, April 26, May 31, and June 28. No meetings in July and August. For information, call Rosie 732-881-1044. Please just leave your name and about support group and I will return your call.

DEERFIELD SONGSTERS- By now, our Deerfield Songster members are getting restless-enough of this "long winter's nap"-it's time to get back to the singing. And sing they will. The rehearsals from our Spring Season will begin at 9:45am on Thursday, February 7. Repertoire has been finalized and the members' individual packets of music have been prepared. It's going to be an exciting, yet challenging season. Members (and new members) are asked to come early (9:30) so they have an opportunity to look through their music packets to see the treasures inside. There are some new additions to our repertoire that we're sure they will enjoy singing. While it may seem early, we'd like to remind you of the date of our program because it is on a different Saturday than we've used in the past. The program will take place on Saturday, June 1. Please mark your calendars so that you don't miss our concert. If you would like to join our group, or would like more information, call me, Pam Unger, Director at 732-716-1628. We are always happy to welcome new members. We look forward to greeting our Songster friends, as well as some new Songster friends on February 7. *Pam Unger, Director*

TRAVEL CLUB-Happy Valentine's Day. Our trip for February will be Golden Nugget Casino on Monday February 18. Cost of trip is \$28. (\$25 slot play, \$5 food voucher) Still have a few seats left. In March, we are travelling to Doolan's in Spring Lake

for their Irish Festival. Cost of this trip is \$83, including show, sit-down plated lunch and one hour open bar is included. Ticket sales every Monday morning 10-11am in the Volunteer Room. Non-residents always welcome. If you cannot make it on Monday, give me a call, Peggy 732-350-6016. Hope to see you on the bus.

SAFETY PATROL-Happy Valentine's Day from the Safety Patrol. Safety Patrol members are eager to meet new homeowners who have recently moved into Village Six in order for you to join us. Our Village is an enjoyable place in which to live, primarily because of our volunteers. This begins with our Board of Trustees, but also includes the volunteers that are involved in all of our Clubs, organizations and activities. Let's not forget also the fine services provided by our Administrative Staff, Maintenance Workers and Custodians. We also have a fine group of Bingo volunteers every Sunday. None of this is possible without the single homeowner who decides to volunteer in some manner. Of course, Safety Patrol would like you to join us, but please find it in your heart this month to simply volunteer in some manner for Village Six. Our next Safety Patrol meeting is Tuesday, February 19. Join us at 9:30 am for breakfast goodies with the meeting to follow at 10am in the Volunteer Room in the clubhouse. A member of Safety Patrol is available every Monday in the Volunteer Room from 10-11am. Please stop by to see us or call the following numbers if you are interested in joining. Julie Sutton, Chief at 732-849-5363 or Leo Ruscitto, Deputy Chief at 732-941-4303. Please call between 9am and 8pm.

RESIDENT'S CLUB- Hello to all from the Residents Club of Village 6. I do hope you have all recovered from "Holiday Fatigue and are ready to begin "normal" life once more. We are happy to begin February with our colorful Mardi Gras dance on February 9 from 6-10pm featuring Mare Haze. This was such a hit for the past two years with everyone coming all "dolloed up" in outfits reminiscent of the Big Easy! BYOB and snacks, of course, while we supply water, soda, set-ups, coffee, tea and desserts. Tickets available on Mondays from 10-11 am at the clubhouse. Price, \$10pp. We will also be selling tickets for our March dance on March 9 at 6-10pm featuring Wild Rose.

Delicious corned beef sandwiches plus macaroni salad will be available, plus set-ups, water, soda, coffee, tea and dessert, all for \$15pp. Our regular meeting will be on Tuesday, February 19 at 1:30pm. We are again calling for 3-5 volunteers to run a Nominating Committee to pick a new slate of officers for the Executive Board in June. Anyone interested in serving in these capacities, please contact our current Board. Questions? Call Pat, at 732-673-4468. See you at the clubhouse. *Pat, Nancy, Gloria, Helen and Gloria*

PET (ALL PETS) CLUB-First, I would like to thank Judy Hall, our President for the last two years, for all her hard work and dedication she has added to the club. Thank You. Judy is going to be moving on and starting a new chapter in her life and we wish her a lot of happiness and health. It is with the deepest sympathy that on January 1, we lost a great friend and VP Alberto Alvidrez. He was the kindest gentlest man you could ever meet. He would always lend a helping hand anywhere that was needed. He surely will be missed. In January, we had a speaker come from Popcorn Park to talk to us. We'd like to thank Alexis for coming. If you still need to pay your membership dues, it is only \$10 per family. Remember we meet every second Wednesday of the month. Our next meeting will be held February 13. Please join us, we provide dessert, coffee and tea. Any questions, please call the club phone 732-575-2089. We will gladly return your call. Doors open at 6 pm, meeting starts at 6:30 pm.

AMERICAN POLISH CLUB OF WHITING-Our next scheduled monthly meeting will be held on Wednesday, February 20 at 1:30pm. Membership to our club is open to the general public, both in this and surrounding areas. You do not have to be Polish to join. If interested, you can do so by attending a monthly meeting or obtain membership Monday morning from 10-11 in the volunteer room. Dues \$10. Our objective is to provide opportunities where members can gather for fellowship and engage in social activities involving Poland, Polish people and Polish customs. We also try to have interesting guest speakers. For more information, call RoseMarie 732-350-4851 or Maureen 732-849-0511.

ADULT COLORING- Relax, unwind your mind and have some fun. Come join us on Monday, February 11, from 1-3pm in the Volunteer room. We supply coloring pages, books, crayons, pencils and gel pens OR you can bring your own supplies. There is no charge for this activity. So, come join us for some easy conversation and relaxing music. *Peggy 732-350-6016.*

LIBRARY- February is a short, cold month, so stay warm and dry and read a good book. "South Carolina" by Yvonne Lehman is four novels in one book. "After the Storm" "Catch of a Lifetime" "Somewhere a Rainbow" and "Southern Gentleman". A big book and a good read. Linda Fairstein's "Lethal Legacy" is about the New York Public Library. Surely it will keep you interested. Another one to enjoy is "Water for Elephants", the tale of a depression era circus. Come in and browse, surely you will find something to keep you interested. *"A picture may be worth a thousand words, but a smile can warm a thousand hearts".* Maryann Keegan Library Committee.

WOMENS CLUB-Our next meeting will be on Tuesday, February 26 at 1pm weather permitting. There will be a speaker whose topic is "Dance to the music". Sounds like a fun program and a good way to ease the "winter doldrums". Mark this date on your calendar, Saturday, April 6 the Ragtime Band plus lunch. Details to follow. *Doris Penrose, President 732-716-1460*

WEDNESDAY BOOK CLUB-Join us on the fourth Wednesday of the month for a great group discussion. Our book for February is "Defending Jacob" by William Landay. So, grab a copy and come to the clubhouse. Hope to see you there. All are welcome. *Tina Crepezzi*

PLEASE HELP- Any information you would like to be included in the newsletter, has to be put in my paper chute (36 Stonybrook Rd.) by the 10th of the month. Please be aware that I do not include old information (such as meetings held previously) with your information for the current month. If you want information about your club included in the newsletter, you must get it to me. Please call me at 732-350-8659 or send your information to me at

lakewally36@comcast net. Thank you, Jean Balliet, Editor

New Directions
IN HEALTH AND WELLNESS

Brought to you by Northeast Spine and Sports Medicine

Get rid of irritating numbness and pain in your legs and feet with FDA-cleared treatment

Do you suffer from any of the following conditions?

- Numbness
- Pain when you walk
- Sharp, electrical-like pain
- Burning or tingling
- Difficulty sleeping from leg or foot discomfort
- Muscle weakness
- Sensitivity to touch

Get in on the relief!

"I was diagnosed with peripheral neuropathy in 2006. My neurologist prescribed Neurotin, which didn't help. After treatment of MicroVas, the burning sensation in my legs is gone.

I sleep better and have better balance. The environment at Northeast Spine is nurturing and caring."

- Vicki M.

Peripheral Neuropathy

is a condition that affects millions of Americans, commonly resulting in pain, tingling, numbness, and other painful symptoms in the hands, legs and feet. This pain changes your life and affects how you work, how you play and how you live.

How do you know if YOU have Peripheral Nerve Damage?

Peripheral neuropathy is the consequence of damage to your peripheral nerves. There are over 100 different kinds of peripheral nerve disorders or neuropathies – some are the result of a disease like diabetes, while others can be triggered by a viral infection. Still others are the result of an injury or compression on the nerves. No matter where the problems begin, it is imperative nerve disorders are resolved as soon as possible to prevent permanent damage.

Many people suffer with pain for years, not realizing that their symptoms may be due to Peripheral Neuropathy. Symptoms start gradually, then get worse, including numbness, burning or tingling sensations and sharp, electrical-like pain. Treatment options have been limited to a small assortment of pain medications, which can lead to further issues. Ignoring the problem or masking the symptoms has never been a viable solution. If you suffer from any of the aforementioned symptoms, we can help.

New FDA-cleared treatments provide hope

Northeast Spine and Sports Medicine is pleased to announce their new program for treating Peripheral Neuropathy, which includes a combination of advanced FDA-cleared treatments with breakthrough technology that aids in healing the damaged nerves.

What does Peripheral Neuropathy look like?

Healthy Nerve Cell

Properly processes sensory information to the brain:

Damaged Nerve Cell

Sends incorrect signals to the brain, from phantom pain to tingling and numbness:

The effects of this program can be felt on the first few visits. This treatment restores, stabilizes, and rebuilds the nerves in your extremities. Treatment has also been effective in addressing painful symptoms of arthritis, MS, and other forms of chronic pain. Patients generally feel relief physically throughout the treatment period and even feel better emotionally after experiencing a reduction in pain.

Why Northeast Spine & Sports Medicine?

Northeast Spine and Sports Medicine offers some of the most advanced, non-surgical, FDA-cleared procedures for relieving chronic pain. Our multidisciplinary approach utilizes the latest medical technology. We offer programs and procedures that will improve your health with the utmost safety and precision. We will provide you with an accurate diagnosis and recommend a program that best fits your needs.

Treatment is covered by most major insurances, including Medicare

We are confident that you will find healing and relief at Northeast Spine and Sports Medicine. You will have a one-on-one consultation with one of our trained staff who will evaluate your condition and determine if you would be a candidate for this treatment. Due to the demand, we have opened an additional 30 appointments this week. Time slots fill quickly, so **CALL TODAY to secure your appointment!**

**VILLAGE VI ADVISORY BOARD MEMBERSHIP
REQUEST AND MEETING INFORMATION
FEBRUARY 2019**

ADVISORY BOARD MEMBERSHIP REQUEST

There is no mystery, difficulty, or special requirements needed to become a member of the Village VI Advisory Board. There are several rules to follow when assisting other homeowners. Remember: “Volunteering is a Gift to the Community.” As an Advisory Board Member, you would become familiar with: The Covenants and Restrictions; Bylaws and Rules & Regulations. You would also have the opportunity to meet and work with other homeowners and, resolve disputes between neighbors. When you proceed to an address where a complaint has arisen, you do not go alone. Another member of the Advisory Board goes with you. If you require guidance in handling disputes we will provide that training. The time you devote to being a member of the Advisory Board is minimal. There is one meeting each month lasting approximately two (2) hours. The rest of the time spent in conjunction with Advisory Board business is based on the number of phone calls you receive from the residents about disputes in your District. Most of the time there are no calls made to you. Periodically, each member volunteers one hour per month to man the membership table on a Monday during the month.

Many new homeowners have moved into Crestwood Village VI over the past two years. It would be a great benefit for any new owner to join the Advisory Board and give back to the community. Long established homeowners are always welcome. As a New Year’s Resolution, please consider making this as one of your goals. We would very much appreciate your joining our Board.

A copy of the Duties of the Advisory Board Representative is available upon request. Call either Leo at 732-941-4303, Jay at 732-408-5393 or Bill at 908-461-6735 for your copy.

ADVISORY BOARD MEETING INFORMATION

The last meeting was held on January 8th and our next meeting of the Advisory Board will be held on Tuesday, February 12th 2019. All homeowners may join us at 11am in the Volunteer Room at which time you may bring concerns and questions regarding our Village. If you have a Maintenance Problem call the Administration Office, otherwise call your District Representative. We are also available every Monday between 10am and 11am in the Volunteer Room to speak with an Advisory Board Representative. If you don’t know who your District Rep is, call either Leo at 732-941-4303 or Jay at 732-408-5393. Advisory Board Representatives are available between the hours of 9AM and 8PM. Thank You. Wishing you a Healthy and Happy 2019.

Respectfully submitted, Bill Kozuszko, Secretary

DEPARTMENT OF ADMINISTRATION

DONNA MARKULJIC
BUSINESS ADMINISTRATOR

KENNETH T. PALMER
MAYOR

PRESS RELEASE - December 27, 2018
From The Desk of Mayor Kenneth T. Palmer

Residents Asked to Help Keep Single Stream Recycling a Success

In an effort to maintain the viability of the single stream recycling program instituted in 2011, Ocean County and Manchester Township officials are asking residents to ensure that only acceptable materials are placed at the curb for recycling.

Residents are reminded that acceptable single stream materials are: bottles, cans, cardboard, newspaper, junk mail, magazines, office paper, and catalogs. Prohibited single stream items include: plastic bags, shredded paper, garden hoses, furniture, and air conditioners.

Also please note that plastics bags must not be used to hold recyclables that are put out to the curb for pick-up; items must be placed in a container. It may become necessary that Ocean County begin turning away trucks with recyclable materials in plastic bags, meaning the Township hauler would be forced to leave these materials at the curb.

According to the County, including prohibited items in the single stream system decreases productivity, increases maintenance costs, and result in higher residue rates. All of these factors affect the financial stability of the single stream operation for Ocean County, and in turn Manchester Township. The County stated that for the first time in three decades, their recycling program lost revenue. Ocean County officials have stressed to municipalities that the viability of the program and its continuation in large part is dependent on the quality of the incoming materials.

Manchester Township recently launched a free app, "Recycle Coach," which allows residents to enter their address and receive information about pick-up times for recyclables and solid waste in their community and what products can and can't be recycled.

"Recycle Coach makes it easy for our residents to learn how they can recycle particular items and is a great way to ensure that everyone in Manchester Township is doing their part to keep single stream recycling a viable program for years to come," said Manchester Township Public Works Director Al Yodakis.

Getting the Recycle Coach app up and running takes only a couple of minutes: search for "Recycle Coach" in the Apple App Store or Google Play Store, download and install, then search for your home address. An interactive calendar will be displayed, showing pick-up dates and other important information regarding waste management. These same Recycle Coach features may also be accessed through a web browser at www.recyclecoach.com.

Through the Recycle Coach app or website, users can: find out when to put out recyclables and solid waste for pickup, ask questions about what is recyclable, receive specific communication from their town or county, read articles about becoming better recyclers, stay informed of missed pick-ups or holiday collection schedules, listen to educational podcasts, take interactive quizzes, and more. A 'What Goes Where' database within the app will be especially helpful for knowing where to recycle a variety of materials.

Manchester Township thanks everyone for helping us to keep the recycling program in Ocean County successful, as it helps to keep our environment clean and enjoyable while reducing costs.

WWW.MANCHESTERTWP.COM

GROUNDHOG DAY MEANING, HISTORY, AND FOLKLORE

Will the groundhog see his shadow this year? What is the meaning of Groundhog Day—and why do we celebrate weather predictions from a plump marmot?

When Is Groundhog Day 2019?

Groundhog Day always falls on February 2. This traditionally marks the midpoint between the winter solstice and spring equinox.

Connection to the Weather

Around this time, farmers needed to determine when to plant their crops, so they tried to forecast whether there would be an early spring or a lingering winter.

Sunshine on Candlemas (February 2) was said to indicate the return of winter. Similarly, “when the wind’s in the east on Candlemas Day, there it will stick till the 2nd of May.”

It was not held as a good omen if the day itself was bright and sunny, for that betokened snow and frost to continue to the hiring of the laborers 6 weeks later on Lady Day. If it was cloudy and dark, warmth and rain would thaw out the fields and have them ready for planting.

Our Groundhog Day is a remote survivor of that belief. According to legend, if a groundhog sees its shadow on this day, there will be 6 more weeks of winter; if it doesn’t, then spring is right around the corner.

For centuries, farmers in France and England looked to a bear; in Germany, they kept their eye on the badger. In the 1800s, German immigrants to Pennsylvania brought the tradition with them. Finding no badgers there, they adopted the

groundhog to fit the lore. Pennsylvania’s Punxsutawney Phil has announced spring’s arrival since 1887. Other groundhogs also have carried on the tradition, including Ontario’s Wiarnton Willie.

Though we recognize that animal behavior isn’t the only way to judge planting dates, the tradition continues, often with a wink and a smile.

SO, WILL THE GROUNDHOG SEE HIS SHADOW?

It depends on whether February 2 is sunny or cloudy!
