

President's Message . . .

Greetings,

Here we are into March. Where did the winter go? Spring is here! I have a few reminders I'd like to share with you. First, I have received numerous complaints about some people's lack of respect for their neighbors by not securing their recyclables and allowing them to blow all over the streets and neighboring properties. I've written many times previously about this ongoing issue. How hard is it to flatten milk jugs, water bottles or most plastic receptacles? Newspapers and pizza boxes should be containerized as not to blow away and large stand up containers should have a lid.

Parking on the grass is prohibited. One wheel, two wheels or four wheels makes no difference. If you have more cars than you do parking spaces, it is your responsibility and not that of the Association. Letters and fines are applicable.

Commercial vehicles are also prohibited in our village. Find a viable solution to this matter if this applies to you.

Dead trees on your property is the responsibility of the homeowner and not that of the Association. Please have them removed along with the stump.

In accordance with Manchester's ordinance all mailboxes and homes shall be properly identified by the street address in $3\frac{1}{2} - 4\frac{1}{2}$ numbers plainly visible from the street. This is for the safety of all.

Thank you again for your cooperation on these matters. Happy St. Patrick's Day to everyone.

Semper Fi. Respectfully submitted, Wayne Koester, President, BOT

A BUSLOAD of retired Americans was touring Switzerland. On the third day, they visited a farm known for its goat cheese. The farmer's wife gave them a tour and some samples.

As the retirees tasted the cheeses, she pointed to a pasture and said, "This is where we let our older goats graze after they no longer give milk. In America, what do you do with our old goats?"

A woman piped up, "They take us on bus tours."

Trustee Korner...

Hello everyone! Happy Saint.Patrick's Day. 1 would like to bring up two subjects that are a matter of importance: 1. When submitting home improvement requests please fill in as much detail as possible, for example a photo or drawing with measurements where needed and also what your project will look like when completed. This will speed up the project. Number 2, Dog walkers when you pick up after your dog(s), please Do Not put the dog waste in the sewers. It will be putting contamination in our water system .and don't put the waste in anyone's trash receptacle but your own. Thank You.

Leo Ruscitto, V.P.

I can't believe the wonderful weather we're having. I hope I didn't jinx it!!! Hang in there, just a few more weeks until Spring!

For the period July 1, 2022 through January 31, 2023 our finances continue to perform better than anticipated. Our operating income is \$262,490 which is \$130,377 better than budgeted. We have added \$239,167 this year to our reserve account, which will be used for long-term projects, like the paving project coming up. Our investments have generated \$21,294 income during this period!

Included in last month's chatter was an insurance coverage overview letter from JGS insurance. This is helpful information to make you aware that CV6 covers your home to a certain degree. This can lead to savings on your personal insurance premium. Please discuss with your insurance provider. Be on the lookout for the date JGS will come to our clubhouse to help us review our coverage.

Don't be afraid to come out and try playing Pickleball. See what it's all about on Tuesday nights from 6 to 8PM.

Be sure to join our Facebook page, "Friends in Crestwood Village 6." Lots of current information is posted on a daily basis.

Thanks for reading!

SAFETY PATROL-Sadly, in January, Safety Patrol and Crestwood Village Six lost two very special women who were members of Safety Patrol. The first was June Bennett who had been a Safety Patrol volunteer for many years along with her husband, John. The second was Heidi Kulesh a much younger person who although had some mobility issues still volunteered as a Base person as long as we delivered and picked up the bag from her. Each of these ladies gave their all as a

volunteer despite their age or health condition. The Safety Patrol misses our dear friends immensely. We all need to take a lesson from June and Heidi. Volunteering is a two-way street. While helping as a volunteer one provides a service and also as a side effect finds new friends. Please help continue their legacy as we are still very much in need of new members. Volunteers are needed to do mobile tours once a month and base volunteers are needed to work from home. You do not need to attend our monthly meeting if you are still employed. We do have members who still work but volunteer once a month on mobile or base. Our next meeting is Tuesday, March 21 at 10am. Join us at 9:30am for light breakfast items. Please join us as a Village Six volunteer. If you are interested in joining, please call Julie Sutton, Chief, at 732-849-5363.

BEREAVEMENT SUPPORT GROUP-The group had 4 new members at the February meeting. The next meeting is Friday, March 31 at 1pm in the D&E rooms at the clubhouse. Anthony Lipari is our speaker on stages of grief. Social time and refreshments. The group meets on the last Friday of the month from September to June. Rosie Weaver 732-881-1044

CRESTWOOD SIX BOOK CLUB-Can it really be March already? If so, and you haven't been reading, you are way behind. One way to get caught up it to join a book club! And we have a great one, so join us on the fourth Wednesday of the month at 11:30 in the clubhouse. You can catch up on your reading and make new friends at the same time. See you there!! Tina Crepezzi

MOVIE NIGHT- On Friday, March 10, we will be showing "I Wanna Dance with Somebody". This drama follows the incredible career of pop icon Whitney Houston (Naomi Ackie) from New Jersey choir girl to her discovery by legendary music producer Clive Davis (Stanley Tucci). Journey through Houston's trail blazing life and career with show stopping performances as you've never heard before. The movie is rated PG-13 and runs 2 hours and 23 minutes and is shown close-captioned for the hearing impaired. A few Extra Bonus Features will also be shown following the film. Doors open at 5pm and the movie starts at 6pm with refreshments available until 5:45. Feel free to bring your own chair or cushion if those provided do not suit you, however we don't want you to block others' views. All are welcome for the low admission price of \$3. Non- residents of Village Six are also welcome. Any questions or movie suggestions, please call Arlene 732-408-5147.

<u>COUPON GROUP</u> This is not a club. There aren't any fees and the group is held in our library at the clubhouse. Hours are the same as clubhouse hours. I ask that all coupons be cut. They are to be left against the wall above the bookcase. You will see the box marked coupons. Take what you want, and leave the rest. Questions, call Arlene 732-408-5147
