President's Message . . .

Greetings,

Here we are at the end of summer and into the fall. I know a lot of us are happy to see the heat of summer go.

Let's talk about the autumn months and our lawns. Now is the prime time to put in grass seed. If you are under contract talk to your contractor about your concerns and seeding. If you received a lawn letter now is the time to correct a fixable situation.

This month we are starting the Road Restoration Project. This means a paving contractor will be removing approximately 2 inches of old asphalt and replacing with 2 inches of new asphalt. This operation will be done in phases as to allow minimal disruption of the Village's activities. A golf cart will be made available for transportation from one's home to the Clubhouse parking lot, if need be. Driving on freshly milled roads and newly paved roads is permissible. Please be aware of the surrounding conditions and road workers. You should not be inconvenienced for more than one day at any single residence. All "On Street" parking will be suspended until the end of the project in your area. If you do park on the street and disrupt the milling and repaving process in your area your vehicle will be towed at your expense. As I stated the start of this Project will begin mid to late September. Completion should take anywhere from (6) six to (8) eight weeks. If you still want Natural Gas in your home please apply now before the road project gets started!

Thank you to all who placed your address on your mailboxes. I am still disappointed with those who chose to ignore the mandate. Also, I challenge everyone to look for house numbers on your own street and see if you can see them. It is very hard to see the numbers during the day, and almost impossible at night. I urge everyone to place your home address where it can be plainly seen from the street preferably over the garage door. Number colors must contrast with the background color of your house. Fines will be imposed for non-compliance.

A Memorial-Dedication ceremony was held last month to commemorate the traffic light installation on Route #530 and Congasia Road in honor of the late Trustee Elle Strasser, the driving force for this installation. Unfortunately, the timing for the ceremony had to wait for the actual activation of the light resulting in the late entrance into the Chatter.

Bless you everyone and thank you for your cooperation in these matters!

Respectfully submitted,

Wayne Koester, President, BOT

Trustee Korner. . .

Hello and a hearty welcome to our latest residents hopefully September brings cooler days. I would like to address what I call a “Heads up” letter (not a threatening letter). Whenever a homeowner receives a letter about an infraction against our Rules&Regulations, it is to give you a fair amount of time to correct the situation. The levy of a fine for not correcting a violation is part of our governing documents. It is one of the few ways we can enforce and maintain order in the Village and keep it looking presentable for everyone. If you have a problem correcting the violation in the allotted time frame as stated in the violation letter you can call the Administration Office, they have your Advisory Board representative’s information or you can leave a message for one of the Board members. We are here to serve in the best interest of Village 6. Please read and check copies of CV6 Rules& Regulations and By-laws before you submit a Home Improvement Request so you can stay clear from any violations to begin with. I thank all our residents for choosing CV6 to live because you must have had a good reason to do so. I believe we all have the same feeling; it is The Best Village to Live In!

Leo Ruscitto V.P.

Hello everyone and welcome to all our new residents who are reading the Chatter for the first time. It is one of the best ways of staying informed on what is happening here in our village. I would like to talk about one of the biggest projects this village has seen in a long time which will be the milling and paving of roads here in our village. This project will be starting around the middle of September. This village has been fortunate to have had trustees both past and present preparing for this project size and cost. All trustees, contractors and office staff will do their part in keeping all residents informed on when your road will be started. Please keep in mind it will be an inconvenience for all of us however only for a short time. I will be very involved in this project from start to finish and asking for everyone’s patience and understanding during this process.

Just a reminder please only put leaf and brush out for pick up one or two days before **not one or two weeks before**. Also please make sure your address is **CLEARLY** displayed on your home and mailbox. It could save your life. Thank you all for staying involved.

Michael Thomas, Trustee

Treasurer

I hope you are enjoying your summer as much as I am!

Our financial year began July 1st, the results are in, see the report included in the chatter. Allow me to summarize the results. Total income was \$177,642 which is \$4,729 higher than budgeted. Our operating expenses were \$144,722 which is higher than the budgeted amount by \$2,226. Bottom line is that our operating income of \$32,920 was higher than the budget by \$2,503. We have added \$34,167 to our capital reserves, primarily for the roads. Out of our reserves we spent \$9,494 for capital projects, and we earned \$7,249 in income from our investments.

We will be hosting a Pickleball clinic to teach newcomers how to play. Please call me at 609-977-1692 to register for the clinic. No cost, and all equipment is supplied.

Thanks for reading! Enjoy the rest of the summer!

TORNADO WATCH VS. WARNING

TORNADO WATCH: BE PREPARED!

Tornadoes are possible in and near the watch area. Review and discuss your emergency plans and check supplies and your safe room.

Be ready to act quickly if NWS issues a warning or you suspect a tornado is approaching. Acting early helps save lives!

Watches are issued by the Storm Prediction Center for counties where tornadoes may occur. The watch area is typically large, covering numerous counties or even states.

TORNADO WARNING: TAKE ACTION!

A tornado has been sighted or indicated by weather radar. There is imminent danger to life and property. Move to an interior room on the lowest floor of a shelter. Avoid windows.

If you are in a mobile home, a vehicle or outdoors, move to the closest substantial shelter and cover your head to avoid flying debris.

Warnings typically encompass a much smaller area, around the size of a city or small county. Warnings are issued when a tornado is spotted on the ground or identified by a forecaster on radar.

If you've never quilted but would like to learn, the members are happy to share their experience. You may also bring your own sewing machine if you choose to machine quilt. Contact Rita if you have any further questions at 732-849-3905.

SAFETY PATROL-September hopefully brings slightly cooler days and nights prompting fewer open garage doors! Safety Patrol members are volunteers, and residents of Village Six just like yourself. We donate our time and gas to tour an hour many weeknights looking for open garage doors and unlit street lights. We also deliver your Chatter and sit for the annual road closure which will be Thursday, October 5 this year. More volunteers are needed to do mobile tours once a month and base volunteers are needed to work from home two nights a month. You do not need to attend our monthly meeting if you are still employed. We do have members who still work but volunteer an hour once a month on mobile or two consecutive nights a month on base. If interested in joining, please call Julie Sutton, Chief, at 732-849-5363.

BEREAVEMENT SUPPORT GROUP The next meeting is on Friday, September 29 at 1pm in the D&E rooms of the clubhouse. Meetings are open to anyone in the area, not just Village 6 residents. Anthony Lipari is our speaker and a grief counselor.

Meetings are informative, with social time and refreshments. *Rosie 732-881-1044.*

CRESTWOOD SIX BOOK CLUB- And just like that...summer is over. If you are planning to take advantage of "local summer" at the shore, you must bring along a good book. And we have a great way to find a new "beach read". Join us on the fourth Wednesday of the month at 11:30 am at the clubhouse. We will have suggestions for books you may enjoy, and you will make a few new friends along the way. Everyone welcome. *Tina Crepezzi*

MOVIE NIGHT- On Friday, September 8th, we will be showing "**Book Club-The Next Chapter**". In this comedy about friendship and love, four best friends take their book club to Italy for the fun girls trip they never had. When things go off rails and secrets are revealed, their relaxing vacations turns into a once-in-a-lifetime cross-county adventure. Cast includes Candice Bergen, Jane Fonda, Andy Garcia, Don Johnson, Diane Keaton, Craig Nelson and Mary Steenburgen. Filming was done in Rome, Venice and Tuscany and is spectacular. It is rated PG-13 and runs 1 hour and 47 minutes. The movie and extra bonus features shown immediately after are both closed-captioned for the hearing impaired. Doors open at 5pm with the movie starting at 6pm with light refreshments served until 5:45pm. Feel free to bring your own chair or cushion if those provided do not suit you, however we don't want you to block others' views. All are welcome for the low admission price of \$3. Non-residents of Village Six are also welcome. Any questions or movie suggestions, please call Arlene 732-408-5147.

COUPON GROUP This is not a club. There aren't any fees and the group is held in our library at the clubhouse. Hours are the same as clubhouse hours. I ask that all coupons be cut. They are to be left against the wall above the bookcase. You will see the box marked coupons. Take what you want, and leave the rest. Questions, call Arlene 732-408-5147.

FIREWISE- In the last newsletter, the **Residents Property Report Form** was included. Forms are available at the Admin. Ofc. The purpose of this form is for you to keep track of all the work that

you perform on your property, in addition to the use of contractors, landscapers, and/or a tree service you use during the present year. It doesn't matter if you work for half an hour or four hours pruning shrubs, picking up twigs, sticks and branches or raking pine needles, leaf debris and vegetation. It all counts. It only takes a few minutes to fill out the form and then hand it in at the administrative office. Your in-kind contribution of maintaining your property goes towards our village receiving a grant from the state to clean up common areas in our community. Last year, we were very successful in the fact that many residents were pro-active in maintaining and making improvements to their property. This year, it is our hope that those who are able, will join us in this endeavor. Remember, this is a community undertaking. Everything you do is very important in helping to keep our community fire safe and out of harm's way. We are all stewards of our property and our village. Please accept our thanks for all your hard work. *Philip Chidichimo, Trustee*

WOMANS CLUB OF DEERFIELD HALL-Our next meeting is on Tuesday, September 26 at 1pm. September is our welcome back hot dog lunch along with homemade baked goods for dessert. Our meetings are informative and at times we have a treasure table. As a non-profit, we give back to the community with our fund raiser events. The next one is on Saturday, October 28 from 8:30-11:30 which is an all you can eat pancake breakfast, including juice and beverage. We will also have a 50/50 as we do at all of our meetings. Donations this year went to the Manchester Police K9 Unit, Manchester EMT and the Whiting Volunteer Fire Department. Membership is only \$10 per year. We now have a specialty coffee station, which has lattes, cappuccinos, and flavored coffees which has been a big hit. Boscov Day passes are available on Monday from 10-11am at the clubhouse starting Sept. 11th. *Rosie Weaver, president 732-881-1044.*

LIBRARY COMMITTEE-We will be having new books for September. Jodi Picoult, Elia Hildenbrand, Nicholas Sparks and Nora Roberts. We also will have some new fiction of various authors and two new World War II books. One of these is a diary. We hope you have a beautiful rest

of your Summer and enjoy Fall. *The Library Committee*

VILLAGE SIX TRAVEL CLUB- On October 26 we will be going to the Tropicana Casino with a \$35 slot gratuity included for a tribute to Neil Diamond Show. Cost is \$100 per person. Seats are going fast so don't wait. On Friday, November 17, we will be going to the Crab Trap for lunch then on to Resorts Casino for a \$15 slot play.
