A Message from the President...

Greetings,

Well, spring has sprung. Yes, it's here. The blooming of God's nature to bring to life a fresh awakening to our region of the planet. Isn't it marvelous how every year at this time our little village comes to life? As the Bible states, there's "a time to reap and a time to sow." Well, this is sowing time. Over the next couple of months special attention should be given to our gardens, lawns and properties. An effort is required to achieve the best results concerning these issues. Some lawns may require an expanded effort because of their depleted condition. Usually more watering can do the trick. Water, topsoil and seeding may be required. The BOT (Board of Trustees) will again do its annual inspection of properties to ensure compliance. Again, it is the homeowners' responsibility to maintain their properties. Please do not let an avoidable situation result in a fine.

The road restoration project will continue this spring. Details concerning the project is forthcoming. The office will be apprised of the details, i.e. streets, parking, time, etc.

Yes, people are still speeding and going through stop signs. Some still use illegal extendable leashes. 6 foot leashes only are legal. Some people still put out trash, recyclables, branches and brush too early. Rules are rules, people.

Thank you everyone for your cooperation on these matters. Semper Fi.

Respectfully submitted,

Wayne Koester, President, BOT

Trustee Korner...

Hello everyone. April is here already and lots going on this month here in the village. I would like to remind everyone that the V-room in the clubhouse will be closed from March 29th through April 6th for the painting of that room. Also the milling and paving will be starting back up in April. The contractor will notify you when they do your road. I again would like to vent my frustration as a trustee about Recycling pickup. We continue to ask you not to put your recycling out ahead of time when there is 40mph winds, but yet some of you continue to do so. It's common sense that it will blow down the street, but yet it keeps happening over and over and for those of you who think that the trustees can wave their magic wands to make it stop are mistaken. We can only keep sending letters and fining those residents who just don't care. We are not the police. We can't send them to jail. We can only do what we have been doing to help them understand. We all as residents can try to get this message to them. So we are asking those people again, please use your common sense, use lids on cans and don't let your recycling be everyone else's problem. Thank you all.

- Michael Thomas, 1st VP

Hello to all my fellow villagers. Here we are in April. It seems everything is rushing by. Hope you all had a Happy Easter and St. Paddy's Day. As we turn our thoughts and plans to spring cleaning and outside home improvements, if you use a contractor, choose your contractor wisely. Make sure they have their insurances and licenses in order (most contractors who have worked here are on file with the Administrative Office) We, the B.O.T., do our best to go over all the requests and get back to the homeowner with the OK when all requirements are met. I have caught up on the 2022 and the first eight months of 2023 jobs checked done. If for some reason your project was delayed after the 120 days allowed, no problem. Once things can go forward again, simply submit a new home improvement request form. Please try to attend all our Open Trustee meetings. Looking forward to seeing you.

- Leo Ruscitto, 2nd VP

Treasurer Report
From Tom Perro

Happy Easter!

The financial results reported in this chatter are for 8 months ending 2/29/24. Our Income for this period was \$1,400,856, which continues to be better than expected by \$17,552. In addition, our expenses of \$1,132,072 were \$7,896 lower than budgeted. Operationally, we have net Operating Income of \$268,785 which is \$25,449 higher than we expected. The good news is, after paying \$860,000 of our road project we still have \$1,053,554 in our investment account, with only \$540,000 due for the remainder of the road project.

We are getting hit hard with contract renewals that have steep increases. We are fighting, and negotiating diligently to keep our costs down for the upcoming year, but it's going to be very difficult to maintain our associations dues at the current level. But the battle is not lost, yet.

Our Pickleball group is one big happy family. We have about 16 regulars, from various neighborhoods, and we have encouraged other villages to host additional nights. Come out and see what all the fuss is about!

“Faith is being sure of what we hope for and assurance about what we do not see.” Heb 11:1

CLUB ACTIVITIES CONT.

WOMEN'S CLUB OF DEERFIELD HALL

The Club is off to a great start. Our January speaker had some vendors come to speak on their products and raffled off some gift cards and gift baskets which was a big surprise for members. February was our annual soup sampling and we had some great soups, corn chowder, clam chowder, barley, broccoli cheddar, tomato with pasta, cabbage, Greek chicken soup, corn chowder and pea with ham. Also we had cheese and crackers, grapes and olives donated by a member who did not make soup and, of course, our homemade desserts. March was a long-awaited return of the Lavender Lady and all her great products. April is our birthday celebration. Members sit at a table for the month of their birthday. We have a special birthday cake and games with prizes. May is our annual mug flower arrangement for hospice patients. June is our year-end luncheon. Membership is open to anyone in the area over 55 due to the nature of the speakers. Membership is only \$10 a year and it includes our specialty coffee bar which is a big hit. You can just come home early on the day of the meeting to sign up and join us for a fun afternoon. Refreshments usually homemade are served. Meeting dates are April 23, May 28 and June 25th, the fourth Tuesday of the month at 1 pm in Deerfield Hall of Crestwood Village 6.

BEREAVEMENT SUPPORT GROUP

The group still meets. It has not moved. The next meeting is Friday, April 26th. The meetings are helpful to those who have lost a spouse, friend or family member. Many of us have suffered a loss at one time or another. The meetings are free and refreshments are served. You do not have to register. You can just show up. They are held in Deerfield Hall, 6 Congasia Rd., Whiting in the D & E rooms at 1 pm. The next meetings are May 31 and June 28. No meetings are held in July or August.

SAFETY PATROL

Happy Spring from Safety Patrol! April is National Volunteer Month! That's no joke! So this article is a repeat of last month's article. Remember that when you moved into CV6 you received a welcome letter from our Safety Patrol Secretary. Perhaps one of the many reasons that you moved into our village was that we were the only Whiting village to still have a Safety Patrol that actually patrols weeknights from 9 – 10 PM. Now it's your turn to step up and volunteer! If not our organization, perhaps some other CV6 organization, club or activity. Just read through this Chatter and choose one or two! These organizations, clubs and activities desperately need additional members. Safety Patrol volunteers are needed to do mobile tours once a month and volunteers are needed as base operators to work from home two nights a month. You do not need to attend our monthly meeting if you are still employed. We do have members who still work but volunteer an hour once a month on mobile or two consecutive nights a month on base. Our next meeting is April 16, 2024 at 10:00 AM. Light breakfast items will be available at 9:30 AM. Please join us as a Village Six volunteer! If interested, please call Julie Sutton, Chief at 732-849-5363

MOVIE NIGHT

On Friday, April 12th we will be showing WONKA. This delightful movie follows the wondrous story of how a young dreamer named Willy Wonka becomes the world's greatest inventor, magician and chocolatier. Based on the character from Roald Dahl's novel. This film acts as a prequel to the 1971 film adaption of Dahl's novel. Starring an ensemble cast including Timothee Chalemet, Olivia Coleman, Jim Carter, Hugh Grant and many others. It is rated PG and runs 1 hour and 52 minutes. The movie and extra bonus feature shown immediately afterward are both shown close-captioned for the hearing impaired. Doors open at 5:00 pm with the movie starting at 6:00 with light refreshments served until 5:45. Feel free to bring your own chair or cushion if those provided do not suit you. However, we do not want you to block others' views. All are welcome for the low admission price of \$3.00. Non-residents of Village 6 are always welcome. Any questions or movie suggestions, please call Arlene 732-408-5147.

CLUB ACTIVITIES CONT.**CRESTWOOD SIX PET CLUB****ADVISORY BOARD**

The Advisory Board is made up of volunteers from our Village. There are 1141 homes divided up into 22 districts. Ideally there should be one volunteer for each district. Currently we have 11 volunteers. The Advisory Board is always available to help the members of our village. The Board meets the second Tuesday of the month at 10am in the Volunteer Room of our clubhouse. Residents are welcome to join us at 11am during the meeting to voice any concerns they may have, or you can call the office to ask who your advisor is, and they will supply a phone number to reach them. If you are interested in joining and would like to see what we are all about, please come to a meeting.

One of the major complaints we see has to do with dogs, either barking or defecating on lawns. Please do not let your dog on any lawns besides your own. Residents take pride in their lawns, often costing them a lot of money. The Advisory Board is discussing purchasing cameras to put around the Village, catching dogs in the act. If your dog is caught on camera, you will be fined. As for barking dogs, sometimes a whistle does the trick. Try it and see.

Do not put your recycling out before 5pm the evening before pick up. On windy days the recycling blows all over, ending up on your neighbors' lawns. If it is windy, please check on your recycling can to make sure that it has not blown over. Your recycling can must have a lid.

If you are having overnight guests, call the office about parking their vehicles at the clubhouse. If you park your vehicle on the street during daytime hours, please do not park too close to stop signs or your neighbor's driveway making it difficult for them to get in and out. Recently many residents have said that they have received mail in their mailbox that does not belong to them. Please do not throw that mail out. Either put it back in your mailbox with the red flag up, or bring it to the person it is addressed to.

Sorry if I sound like a broken record, but **ALL CLUBS AND ACTIVITIES NEED VOLUNTEERS!!!**

“As you grow older, you will discover that you have two hands – one for helping yourself, the other for helping others.” Audrey Hepburn.

The April meeting of the Crestwood Village Six Pet Club will take place on April 24th, 2024, at the Deerfield Club House, 6 Congasia Drive, Whiting, NJ. Please note that this date is different than our regular meeting which typically takes place on the second Wednesday of the month. The clubhouse is being painted, therefore will not be available for our use on the second Wednesday. Please make sure you mark your calendars to indicate this change for the month of April only. Our regular schedule will continue with the May meeting. Doors open at 6:00 with the meeting beginning at 6:30.

Light refreshments are served, and a 50/50 raffle is called at the end of each meeting. Membership to the Pet Club is open to all Senior communities. Although we love pets, only service animals are allowed to attend the meetings due to insurance regulations. All service animals must be registered with the Village Six Office by calling the clubhouse at (732) 350-2656.

Photos with the Easter Bunny were a great success, and luckily the weather cooperated to afford us two sunny days. The photos were distributed at the March meeting. This is a popular event and pet owners were very generous with their donations.

The Pet Club has kept the membership fees very low at a total of \$15 per family. Working on a very tight budget, the monies earned from the membership fees, 50/50 raffles, and photo sessions, provides sweet treats for our meetings, donations to the organizations represented by our monthly speakers, as well as the food for our summer and holiday parties.

Volunteers are always needed for the various activities of the Pet club, including setting up for the meetings. Be sure to speak to Sharon if you think you can offer some time to help.

We look forward to seeing everyone at the April meeting and look forward to the warm weather!

- Sharon Smith, President
