A Message from the President...

Greetings,

I'll start with saying welcome aboard to Carol Lauer. We look forward to working with her on the Board of Trustees.

Two things happened soon after I wrote my last President's page for the Chatter. We had not one but 2 recyclable pickups. Both times the day required to put out our recyclables were extremely windy. Now I know it doesn't require a PhD to know that a certain amount of extra effort may be required to secure whatever we put out for pickup. Flatten your plastic bottles and cans, tie your papers or cardboard. Do what you can to stabilize your recyclable containers. It is not your neighbor's responsibility to pick up after you. Your crap is your crap. Be responsible and do the right thing. We all watch the news and weather. When we see it is going to be windy, put your recyclables out later rather than earlier. I've gotten a lot of complaints about other people's trash landing on their properties. Thank you for your renewed efforts.

Yes, lawn/property inspections will start this month. It is the Board of Trustees (BOT) responsibility to assure that our lawns/properties are maintained and appearances upheld. Many of you have gotten a letter previously and responded accordingly. I applaud your effort. Then there are those of you who choose for whatever reason not to comply. If you get a letter of unsightly lawn/property, take the necessary steps to remediate the situation. The BOT will listen to anyone

needing assistance. A little goes a long way. Sometimes topsoil and seed may be required. The Association does provide power washing for a fee.

Now I want to bring to everyone's attention about the loss of two people who are leaving our village. Marianne Yewaisis and Julie Sutton have been a mainstay in our volunteer department. For over ten (10) years their unselfish services in Safety Patrol, Resident's Club, BOT and more have been instrumental in keeping our village functioning. Their efforts are greatly appreciated and will be hard pressed to replace. Thank you both from myself, the BOT and the Association for all your hard work and due diligence in helping our village. Good luck and Godspeed for the future.

Thank you for all your consideration on these matters. Semper Fi.

Respectfully submitted,

Wayne Koester, President, BOT

Thoughtful Quotes

I went for a job interview. They told me I'd start at \$3,000.00 a month and after six months I'd get \$3,500.00 a month. I told them I'd start in six months.

For all those who exalt themselves will be humbled, and those who humble themselves will be exalted.- Luke 18:14

Trustee Korner...

Hello to all my fellow villagers. Here we are in May so let the bloom of May flowers bring you health and happiness. I'd like to say welcome to our new Trustee Carol Lauer. I thank her for stepping up and look forward to working with her.

I would like to bring to your attention the USPS address identification regulations. Every curbside mailbox must bear the following address information. A box number inscribed in contrasting color in neat letters and numbers at least 1 inch high on the side of the box visible to the carrier's regular approach or on the door if boxes are grouped. If the box is on a different street from the customer's residence the street name and house number must be inscribed on the box. The reason I bring this up is because I deliver the Chatter and out of the 88 homes on my route, 50 homes did not have numbers on their mailboxes, so, please, I urge all residents to check your mailboxes and affix numbers and letters where needed.(you can use the stick on numbers & letters from Lowes, Home Depot or any hardware store) If homeowners do not comply we, the B.O.T., will have to impose fines (which we do not want to do). I will thank you in advance for your help in achieving our goal to have all the mailboxes in our village make the USPS happy.

Leo Ruscitto, 2nd V.P.

MESSAGE FROM THE BOARD OF TRUSTEES

DRYER VENT CLEANING

Spring is a good time to have your dryer vent cleaned. The cause of many house fires is clogged dryer vents. Dryer vents should be cleaned every year and is mandated by our insurance carrier. It does not matter if you live alone or a couple and it does not matter how many loads a week you do. What matters is that the moist lint that the drying process creates is to be blown out of the dryer, the vent lines, and the vent itself. Because it is moist lint, it tends to clump causing a blockage in the vent lines that can backup into the dryer itself. The length of the dryer vent lines in most models can be twenty-five feet or longer in length. That vent line should have a brush run through it to get rid of any debris or accumulation. That is why you need to have it cleaned annually for safety.

The Crestwood Village Six maintenance workers can do the dryer vent cleaning and inspection for you, at a minimal cost if you are not physically able to do it yourself or you can have it done by outside contractors.

Treasurer Report
From Tom Perro

The financial results reported in this Chatter are for 9 months ending 3/31/24. Our Income for this period was \$1,573,717, which continues to be better than expected by \$17,500. In addition, our expenses of \$1,266,947 were \$15,517 lower than budgeted. Operationally, we have net Operating Income of \$306,770 which is \$33,017 higher than we expected. After we pay the balance of the roads project, we are expected to end the year with a balance of \$600,000 in our reserve account.

We are in the process of getting an updated Capital Reserve Study, which will establish a budgeted amount required to finance long term maintenance of our grounds and facilities.

Negotiating contracts for our village is ongoing, and we are holding our own to keep our costs down for the upcoming year. It appears that it will be very difficult to maintain our association dues at the current level.

Don't forget to register for the Senior Tax Freeze, PTR (Property Tax Reimbursement).

LEAF & BRUSH PICKUP INSTRUCTIONS

Brush and Bag Procedure

The Village provides removal of brush and bags for our residents. Paper bags are available in the office for purchase. Please take advantage of this awesome service. There are several guidelines for you to follow to make this as efficient as possible:

- Brush and bags must be out the night before or by no later than 6:30 AM the morning of Thursday’s pickup;
- Raking and/or blowing the leaves to the curbs is NOT PERMITTED and will not be picked up the Village.
- There will be no return trips or doubling back for calls regarding missed pickups or late callers. There are 6 workers on the trucks doing the pickups and is highly unlikely that we are missing any piles or bags;
- Typically, there are 2-3 vehicles making the rounds, 1 dedicated for brush with a wood chipper in tow and 1 for bags;
- Brown paper recyclable lawn and leaf bags are the only types of bags permitted to be picked up and used for yard clean ups;
- These bags are for leaves, pine needles, acorns and pine cones only.
- The workers will leave your bags if there is evidence of improper materials stored; sticks, planters, excessive soil, rocks, etc. The intended materials are not heavy and should not make the bags heavy enough where the workers struggle to get them in the truck;
- These rules are promulgated by Manchester Township and they can revoke our dumping privileges if they are not abided by;
- Brush is to be left in neat piles by the curbside, on the lawn;
- The brush will be picked up and chipped up as we make our way;
- Excessively large piles of brush may not be picked up. If it appears that the brush piles were left by a subcontractor, a call will be placed to the resident, as it is pretty obvious when this occurs.
- No tree stumps of any kind are accepted.

BEEHIVE

THE 60'S MUSICAL

Beehive: The 60's Musical is a non-stop, energetic celebration of six extraordinary women performing more than a dozen chart toppers from Diana Ross, The Supremes, Tina Turner, and more. Complete with big haridos and 60s fashions, this timeless production will have audiences of all ages singing along and shouting for more. Show created by Larry Gallagher.

Roger & Hammerstein's South Pacific. During World War II, Nellie, a nurse from Arkansas, falls in love with a local French estate owner, Emile. Meanwhile, Lt. Joe Cable denies himself the fulfillment of a future with an innocent girl with whom he's fallen in love with. When Emile is recruited to accompany Joe on a dangerous mission that claims Joe's life, Nellie realizes that life is too short not to seize her own chance for happiness. An iconic song list includes: *Some Enchanted Evening*, *Bali Ha'i*, *I'm Gonna Wash That Man Right Outa My Hair* and many others.

Hoagy Carmichael's Stardust Road is a new musical journey that tells the story of six friends and the one man who brought them together. The musical is told completely through the sophisticated music of Hoagy Carmichael. The seven friends weave a story of camaraderie and shifting relationships through four decades in America: the early years of ragtime, jazz and blues; the romance of New York in the 1930's' the tumultuous and uncertain years of the World War II era; and the post-war Golden Age of Hollywood - all while walking down Hoagy Carmichael's Stardust Road.

One Slight Hitch. This hilarious comedic play, written by Lewis Black, focuses on the Coleman family on the day of their oldest daughter's backyard wedding. Mother Delia is frantic about flower arrangements, bug bombs and all sorts of other last-minute details. Father Doc is doing his best to keep his wife calm and the day running smoothly. The bride-to-be, Courtney is set to marry Harper, a conservative, straight-laced, all-American guy. Suddenly the doorbell rings! Enter Courtney's long-time ex-boyfriend, Ryan, who is apparently unaware of the day's significance and will not go away. A series of zany, heartfelt events soon unfold, culminating in a surprise ending beyond anything you could ever imagine!

A Playhouse Christmas 2024. Celebrate Christmas at the Playhouse with our original holiday song and dance extravaganza! With an ensemble cast performing traditional holiday songs all backed by our amazing orchestra, it's a spectacular holiday show like no other! With the Entire Playhouse decked out for Christmas, the joy of the season will fill you with Christmas spirit and memories you can share with your entire family! This is one festive musical you don't want to miss.

CLUB ACTIVITIES CONT.

ADVISORY BOARD

The Advisory Board is made up of volunteers from our Village. There are 1141 homes divided up into 22 districts. Ideally there should be one volunteer for each district. Currently we have 11 volunteers. The Advisory Board is always available to help the members of our village. The Board meets the second Tuesday of the month at 10am in the Volunteer Room of our clubhouse. Residents are welcome to join us at 11am during the meeting to voice any concerns they may have, or you can call the office to ask who your advisor is, and they will supply a phone number to reach them. If you are interested in joining and would like to see what we are all about, please come to a meeting.

Do not put your recycling out before 5pm the evening before pickup. On windy days the recycling blows all over, ending up on your neighbors' lawns. If it is windy, please check on your recycling can to make sure that it has not blown over. Your recycling can must have a lid.

If you are having overnight guests, call the office about parking their vehicles at the clubhouse. If you park your vehicle on the street during daytime hours, please do not park too close to stop signs or your neighbor's driveway making it difficult for them to get in and out. Sorry if I sound like a broken record, but ALL CLUBS AND ACTIVITIES NEED VOLUNTEERS!!!

CRESTWOOD SIX PET CLUB

The May meeting of the Crestwood Village Six Pet Club will take place on Wednesday, May 8th, 2024, at the Deerfield Club House, 6 Congasia Drive, Whiting, NJ. Doors open at 6:00 with the meeting beginning at 6:30.

Light refreshments are served, and a 50/50 raffle is called at the end of each meeting. Membership to the Pet Club is open to all Senior communities. Although we love pets, only service animals are allowed to attend the meetings due to insurance regulations. All service animals must be registered with the Village Six Office by calling the clubhouse at (732) 350-2656.

If you have not completed your registration form and paid your membership fee for this year, the May meeting will be a good time to catch up before the June summer

celebration. The Pet Club requires all members to be current in their dues in order to attend the June party. The pet club does not meet in July or August and resumes in September.

Tropical Themed Pet Photos are scheduled for Saturday, May 18th and Sunday May 19th at 5 Berkshire Road, Village Six. Appointments will be arranged between 9:00 a.m. and 4:00 p.m. on either of those days, with a one-hour lunch break between 12:00 and 1:00. All dogs must be on a leash, and all cats must be in a carrier. Tropical photo backdrops and props will be provided. Please call Sharon at 732-600-3533 to schedule your date and time.

The Pet club's free pet photos are a very popular event. Be sure to schedule your appointment so that you don't miss out! Hope to see everyone at the May meeting. *Sharon Smith, President 732-600- 3533.*

CRESTWOOD SIX BOOK CLUB

Now that the weather is improving many of us like to put aside our reading and concentrate on outdoor activities. Why not include a new book on the patio, porch or beach in your pre-summer pursuits? Exercising your mind is just as important as exercising your body, so don't neglect your brain this season. Join us in the Crestwood 6 clubhouse on the fourth Wednesday of the month at 11:30 and we will help you find a new, exciting read. All are welcome.

LIBRARY COMMITTEE

We have completed purging in the library and are accepting donations. We will also be looking for suggestions for new authors. Thank you. The Library Committee
